Friday Update: February 7, 2003

Rules Promulgation

Draft versions of Rule 8 and Rule 9 are available for your feedback at your request. Rule 8 covers the Licensing Framework and Rule 9 covers emergency and reciprocal permits and licensing procedures. Please e-mail **Shawn Sriver** at ssriver@psb.state.in.us if you would like to comment on either rule. We request that you submit comments prior to **February 19**.

Web-based Testing for Paraprofessionals

Superintendents who wish to pilot the Internet delivery of the Parapro Assessment should contact **Judy Miller** at jmiller@psb.state.in.us for the enrollment information provided by the Educational Testing Service. This is a new option, so we would be very interested in receiving the feedback from those who might choose to take advantage of this option. Educational Testing Service handles enrollment and registration information for the test. The next testing date for the paper and pencil version is **April 26th**.

Beginning Teacher Internship Enrollment

Preliminary enrollment reports on the beginning teacher internship for the 2002-2003 school year were mailed to schools last week. We are correcting and updating those files until **February 28**. If you did not receive your copy or have questions, please contact Missy Nunnery at munnery@psb.state.in.us

Did you know? Although Bulletin 192 licenses use the terms conditional and restricted, they have nothing to do with the status of the license. Conditional means 18 semester hours and restricted means 24 semester hours in a content area.
